COME IN EARLY

Come at 2:00 PM and interact with our team as we scurry about doing those last-minute things events always need. We're available for you to ask questions about our facility and the vision we have as we **begin "Official Operations" on Tuesday 22 April 2019.**

If you are interested, we can share information about opportunities to volunteer and/or be a Friend of the Library.

PHOTO-OP WITH A SPECIAL SPRING-TIME GUEST!

Barbara Wilson, widow of late City Administrator and Library Advocate Harold Wilson will be our Guest of Honor and Ribbon Cutter.

Several Dignitaries will share remarks and wishes.

Light refreshments will be served as everyone enjoys a self-guided "walk-about" of our beautiful new facility and interacts with Staff, Volunteers, and Board Members.
