Dear Milner Community:

In response to the rapidly evolving COVID-19 crisis, the City of Milner is taking all precautions to limit our community's exposure to the virus. Today's updates have led us to close all city offices to the public, as well as, cancel previously scheduled meetings and events. City leaders will remain abreast of recommendations from State and National agencies to determine when to resume normal operations.

City of Milner water customers, who do not pay their bill online, can make their payments using the drop box at City Hall. For emergency water services, please call 77-550-1071.

Thank you for your understanding and support during this time of unprecedented public safety measures.

Sincerely,

George Weldon

Mayor Pro Tem
